

WHITMAN PROBES MACK'S ACCOUNT

Democratic Committeeman's
Bank Account Subpoenaed
with Twelve Others.

INQUIRY TO GO DEEP

Deposits to Be Compared with
drawals on Part of Alleged "Sand-
bagged" Contractors.

New York, Jan. 25.—In his search for evidence of graft in connection with campaign contributions and State contracts, District Attorney Whitman has subpoenaed the bank accounts of several prominent political leaders besides Charles F. Murphy and James E. Gaffney.

Among the accounts subpoenaed are those of Norman E. Mack, national Democratic committeeman, and former chairman of the Democratic State committee; Arthur A. McLean, treasurer of the Democratic State committee; Philip J. Donohue, treasurer of Tammany Hall; Thomas Hassett, former confidential secretary to State Engineer Bessel, and former secretary to the water supply board; John A. Bessel, State engineer, and former ex-officio member of the State highways commission and State canal board; C. G. Gordon Reel, former superintendent of highways; Duncan W. Peck, superintendent of public works; Charles F. Foley, former first deputy commissioner in the State highway department, and Everett Fowler, of Kingston, accredited up-State "bagman" for the Democratic organization.

Will Compare Accounts.
The deposits in these eleven accounts aggregate more than \$5,000,000. The accounts under investigation extend back to 1905. The campaign contributions which are being traced by the district attorney

amount to about \$2,000,000. The incidental graft in connection with State contracts may run as high or even higher than this figure.

During the coming week subpoenas will be served on bank officials in Albany, Buffalo, Kingston, and other cities throughout the State, where the men under investigation may have deposits.

Later the bank accounts of contractors from whom contributions of various kinds were exacted also will be subpoenaed. These accounts will be compared with those of the politicians now being investigated and in this way the district attorney expects to trace many campaign contributions which have not been accounted for and also to bring forth clear proof of graft payments under guise of "expert advice," "special services," etc.

THREATENS RICH ELOPER.

A. Bradley Says Bloodshed Will Follow Attempt at Kidnapping.

Pemberton, N. J., Jan. 25.—Mrs. Harry Bradley, mother of Delilah Bradley, who was the result of her daughter's continued avowals that the latter will stand by Joel M. Foster, the wealthy poultry farmer and son of the president of the International Correspondence Schools, with whom she eloped to Mobile.

Delilah Bradley is a prisoner at her father's home and she is making every effort to reach Foster, while the latter also is somewhere in this vicinity and is believed to be planning to kidnap the girl.

At the same time Foster's wife and family are living at Brown's Mills, a short distance from here. It was reported today that Foster visited his home late last night for the purpose of removing his personal effects, but Mrs. Foster would not comment upon the report.

Alexander Bradley, the girl's grandfather, tonight declared that should Foster attempt to take his granddaughter away by force bloodshed would follow. Two armed volunteer guards are patrolling near the Bradley home day and night and the guards have announced they will resist any attempt Foster may make to get the girl away from her parents.

MASSAGE MACHINE KILLS MAN.

Lazarus Silverman Electrocutated by Apparatus.

Chicago, Jan. 25.—Lazarus I. Silverman, wealthy president of the Crown Novelty Company, was electrocuted in the bathroom of his home this afternoon by a small electric massage machine.

The boy broke down the bathroom door. Silverman was lying on his back, dead, and the massage machine rested on his chest. The silver casing of the motor was hot and some part of the machine had burned a deep hole in Silverman's chest. Silverman was forty-five years old.

CRUISER BREAKS PROPELLER.

Tacoma, Damaged by Storms, Put Into Newport Harbor.

Newport, R. I., Jan. 25.—The cruiser Tacoma, en route from Vera Cruz to Portsmouth, put in here this afternoon with a broken propeller. The vessel ran into a rock off Narragansett Shoals last night and came here with only the starboard engine working.

A succession of storms had been encountered by the Tacoma since she left Vera Cruz on January 17. She will proceed to Portsmouth as soon as the weather moderates.

DEMOCRATIC PRIMARY CAUSES SPECULATION

Keen Interest Shown in Alexandria Over Coming Election for City Council.

TWELVE VACANCIES NEXT APRIL

Alexandria, Va., Jan. 25.—There is considerable speculation among local politicians as to who will line up for the city council in the Democratic primary, which will be held for the latter part of next April. The terms of eight members of the common council will expire and there are four members of the board of aldermen who will come up for nomination, which is one-half of the total membership of both branches of the city council.

According to reports many of the present incumbents will have opposition. In this event it is highly probable that there will be an interesting contest.

Up to the present time, however, no names have been mentioned in connection with the primary, and it is not known yet whether or not all of the present incumbents, whose terms expire, will be candidates for re-election.

President Wilson will be invited tomorrow morning to come to Alexandria February 25 to witness a military parade under auspices of the George Washington Birthday Association. A reception for the president will be introduced at the White House by Representative C. C. Carlin.

Vice President Marshall and other prominent officials are guests that night at the annual banquet of Alexandria-Washington Lodge of Masons which will be attended by members of the Washington Masonic Memorial Association, convening here February 25, in annual session.

It is believed that the board of aldermen, at its meeting Tuesday night, will sustain the veto of Mayor Fisher on the resolution appropriating \$200 for sewer work on upper King street and one for \$50 to defray the legal expenses of Councilman Urban S. Lambert in his legal fight to retain his seat in the city council.

The veto was passed over the mayor's head by the lower branch of the council at its last meeting.

In the event it is sustained by the aldermen a conference committee will be asked and a committee will make its report to council.

Mr. and Mrs. Tufton Dove entertained on Tuesday night at their home in Accotink. The affair was given in honor of the birthday of Miss Agnes Hauer and was in the nature of a surprise to her.

A party of thirty young people gathered in the parlor, which had been tastefully decorated for the occasion. Many interesting games were played and at a suitable time delicious refreshments were served. Miss Hauer was the recipient of many handsome birthday gifts.

John H. Ward, twenty-three years old, son of Mr. and Mrs. William H. Ward, died at 9 o'clock this morning at the Alexandria Hospital after a short illness of paralysis. He was an employee of the Opera House.

The funeral will take place at 2 o'clock Tuesday afternoon from his parents' home, 22 North Patrick street. Services will be conducted by Rev. C. R. Straub, pastor of the M. P. Church. Members of the Alexandria Light Infantry, of which he was a member, will attend.

Eva Fairfax Crupper, ten years old, daughter of Winter P. and Eva F. Crupper, died yesterday afternoon at her parents' home, 730 North Columbus street. The funeral will take place at 2:30 o'clock tomorrow afternoon from the residence. Services will be conducted by Rev. Dr. W. F. Watson, pastor of the First Baptist Church.

Joseph Tibbs, colored, thirty-three years old, died in Washington yesterday. His body was brought here today and taken to Demaine's undertaking establishment and prepared for burial.

Arrangements have been made for a charity entertainment and euchre party Wednesday night at the Young Men's Sociality Lyceum Hall, under the auspices of the Council of Jewish Women.

"The Second Coming of Christ," was the subject of an address by Rev. S. C. Kendall, an evangelist connected with the International Bible Students' Association, tonight at the Surprise Theater.

Representative Claude Weaver, of Oklahoma, this afternoon addressed the men's meeting at the Westminster Building of the Second Presbyterian Church. His subject was "Why I Attend Church."

Lays 297 Eggs in a Year.
Oconomowoc, Wis., Jan. 25.—Myron E. Keats has a hen, Lady La Belle, which began laying December 31, 1912, and up to December 25, 1913, has laid 297 eggs. Another hen owned by Mr. Keats laid 225 eggs in a year. Thirteen birds laid 2,729 eggs from January 1, 1912, to December 31 of that year, an average of 210 per bird. A pen of six made an average of 241 eggs per bird.

POKE FUN AT DR. DAVIDSON.

Pittsburgh Teachers Lampoon Former District School Head.

Pittsburgh, Jan. 25.—Dr. William M. Davidson, formerly of Washington, new superintendent of schools, received a laughing at the hands of Pittsburgh teachers at a luncheon at the Hotel Schenley. The Unity Club, composed of teachers and principals, was the host, and put on a sketch as part of the program. In it they had a mock wedding of Miss Three P's to Mr. Three R's, and during the wedding ceremony made use of the statements of Dr. Davidson in his initial address to the teachers three weeks ago. He advocated the three P's, information, illustration, and inspiration, instead of the three R's.

The characters lampooned Dr. Davidson unmercifully during the wedding, and poked all manner of fun at him.

Dr. Davidson applauded liberally, and at the conclusion of the program told the chairman of the committee that he liked it very much.

Man Holds Skunk and

Stebenville, O., Jan. 24.—Homer Schrader, a railroad employee in Bradley and also a furtrapper, caught a skunk and in attempting to kill it he slipped. Both rolled down hill in close embrace. Schrader's friends are dodging him now if they see him first.

Secular League Pays Honor To Thomas Payne's Memory

With Dr. Charles W. Eliot Now Voicing Progressive Theological Views of Patriot, Credit Long Denied Him Is Forthcoming—Anniversary January 29.

The memory of Thomas Paine, the anniversary of whose birth occurs on January 29, was honored at the meeting of the Washington Secular League at Pythian Temple yesterday afternoon. Remarks were made by President John D. Bradley, former Representative E. V. Brookshire, Dr. J. J. Shirley, and others. Attention was called to the pre-eminent place to which Paine is entitled as an American patriot and as a progressive thinker, and to the fact that after more than a century of obscurity, because of his "infidelity," Paine is beginning to receive just recognition for his great services as a political progressive. It was declared that with men like Dr. Charles W. Eliot, now saying what Paine did in his "Age of Reason," so long ago, and with the foremost scholars and thinkers of the world now regarding his theological views as conservative, on "The Making of a People."

Paine cannot much longer be denied the credit due him for having so much in advance of his time expressed the views he did with regard to the prevailing religious beliefs.

Dr. J. J. Shirley made an address on "Jean Jacques Rousseau." He undertook to present the good represented in Rousseau's work rather than the evil, which he admitted could be found in Rousseau's conduct and career.

An interesting discussion followed the address. The speakers were Rev. Dr. Estey, Leonard Tuttle, Dr. James H. Keeley, Prof. Hyland C. Kirk, David Eccles, Julian Pierce, George A. Warren, Aretas W. Thomas, Donald Macpherson, and James O. Key.

Recitations were given by Aretas W. Thomas and H. W. Selah. It was announced that Judson King would address the league next Sunday afternoon on "The Making of a People."

The Steady and Definite Policy of This Bank

Accomplishment is only attained through persistence in the right direction.

When we first inaugurated this bank we had a definite aim in view, and we have consistently pursued a definite policy in order to reach it.

We wanted to have a bank that combined the spirit of fraternity with the exigencies of modern, complex business—a bank that would embody in an organization the endearing qualities of an honest, capable, warm-hearted individual.

Banks too often lose in personality as they grow in size, until they become mere machines for the handling and transmitting of funds. This we were determined to avoid in our own case, as we desire the friendship as well as the esteem of our customers.

We believe that we have been successful, and that, although this bank has grown large, all our customers feel at home in doing business here and look upon us as their friends.

We pay 3% Interest on Savings
Accounts and 2% on Inactive
Checking Accounts.

I CAN MAKE YOUR FAT VANISH BY THE GALLON!

I CONQUERED OBESITY PAST MIDDLE-AGE

I Ate Everything I Liked—Went Through
No Exercise—Wore No Special Clothing—
Took No Weakening Baths!

I Explain My Simple, Speedy Home Treatment
ment to You—FREE!

I, Lucile Kimball, a married woman past middle age, attacked by obesity for years, finally conquered the fat monster. Everything you ever tried, I tried. I went through exercises, rolled on the floor, cut down my food, gave up sweets, fats, and starches, wore elastic clothing, tried electricity, massage, osteopathy, vibration, hot and vapor baths, swallowed pellets, capsules and teas—gained no result. As I lost interest in these so-called treatments.

For years, I tried to get rid of it. It kept coming back. I was so fat that I could not go to the store. I was so fat that I could not go to the store. I was so fat that I could not go to the store.

I was so fat that I could not go to the store. I was so fat that I could not go to the store. I was so fat that I could not go to the store.

I was so fat that I could not go to the store. I was so fat that I could not go to the store. I was so fat that I could not go to the store.

I was so fat that I could not go to the store. I was so fat that I could not go to the store. I was so fat that I could not go to the store.

I was so fat that I could not go to the store. I was so fat that I could not go to the store. I was so fat that I could not go to the store.

Relief for Catarrh Sufferers Now FREE

You Can Now Treat This Trouble in Your Own
Home and Get Relief at Once.

How the Remedy for Catarrh
Was Discovered.

THIS terrible disease has raged unchecked for years simply because symptoms have been treated while the vicious germs that cause the trouble have been left to circulate in the blood, and bring the disease back as fast as local treatments could relieve it.

C. E. Gauss, who experimented for years on a treatment for Catarrh, found that after perfecting a balm that relieved the nose and throat troubles quickly, he could not prevent the trouble beginning all over again.

On test cases, he could completely remove all signs of Catarrh from nose and throat, but in a few weeks they were back.

By the new method the nose and throat are treated by local remedy applied directly to the affected membranes.

The Elixir, taken into the stomach, influences the mucous membrane of the body and cures the disease by removing the cause.

Careful experiments and investigations have shown that as the troubles were expelled from the nose and throat, the real cause of the disease was overlooked and in a short time the Catarrh would return stronger than ever. Mr. Gauss has gone way ahead of the ordinary methods of treatment and has provided a remedy that

Kills the Germs in the Blood
and immediately gives relief to the nose and throat.

He perfected the New Combined Treatment, since identified to be the logical, pure, scientific method.

Recs Jones, of Scranton, Penn., says that after trying many other treatments, he used this new method and "my nose is now entirely clear and free and I am not bothered by the disease any more. The New Combined Treatment is worth its weight in gold."

Temporary relief from catarrh may be obtained in other ways, but the New Combined Treatment must inevitably be accepted for permanent results.

George J. Cape, Mount Pelic, Tenn., says: "I suffered the pains and distress of catarrh for thirteen years and needless to state, tried nearly every method. But by your new method I was completely cured and you cannot imagine the joy that has come over me."

A large trial treatment, with complete, minute directions, will be sent free to any catarrh-sufferer. Send no money, take no risks, make no promises. Simply clip, sign and mail the coupon and the test package of the New Combined Treatment will be sent fully provided, together with the valuable book on Catarrh.
